ABOUT CENTURA

Since its founding over 80 years ago, Centura has had a clear mission: to provide its customers with the best wall and floor coverings in Canada. Centura's dedication to this mission is reflected in our wide range of innovative products, each carefully selected to meet the highest quality standards. Our longevity and position as one of the largest distributors of floor and wall coverings in Canada is no coincidence. We are committed to satisfying our customers with solutions perfectly adapted to their needs in a professional and friendly environment. With 14 branches across the country, each with its own vision and a range of products specially chosen for its customers, we have accumulated great technical expertise and acquired in-depth knowledge of the various Canadian markets.
